Course Title	<i>International Aviation Law</i>
Your Instructor	Jae Woon (June) Lee The Chinese University of Hong Kong Email: jaewoon.lee2015@gmail.com
Course Meetings	July 2 – July 19, 2018

Course Overview	This course provides a legal insight into international air transport and the regulatory and commercial issues facing airlines, governments and the common passenger. We will primarily look into international aviation law as air transport is inherently “international” and the need of international harmonization is increasing all the time. Emphasis will be placed on issues relevant to Asia.
