Course Overview	This course focuses on teaching students without any prior knowledge of the Korean language to read, write, and converse in Korean by providing basic vocabulary and Grammar structure. It aims to give students an understanding of the Korean language and to help acquire a basic level of communicative competency in modern Korean. Students will learn the basics of Korean – consonants and vowels, formation of syllables and basic sentence structures.
Course Materials	PDF or PowerPoint versions of the lecture slides will be made available via an online source (to be determined) before class whenever possible.
